Build your own

Take it easy, take it anywhere

Introducing the Karoq Edition.

Every journey can be the beginning of something. A valuable experience, a happy coincidence or a shared memory. And with the versatile Škoda Karoq Edition, you can make those journeys comfortably. With its unmissable SUV styling and additional specification enhancements, the Karoq Edition is as practical as it is head-turning. Its proportions are underlined by a distinctive front grille and all-round protective elements. LED illumination and eye-catching alloy wheels complete the impressive exterior.

Step inside, and you'll be welcomed by customary Škoda offerings like spaciousness, all-you-can-have connectivity features and reassuring assistance systems. And for those of you looking for more adventurous detours, the Karoq also comes with an optional 4x4 drive.

That's Simply Clever. That's Škoda.

Pricing valid as of 14th July 2026.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2026. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2026.

** This engine is available from stock only. Please check availability with your local Škoda retailer.

The BiK charges quoted reflect charges which apply to vehicles registered after 6th April 2026. These charges may differ from any charges displayed or quoted before 6th April 2026.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

VED (Vehicle Excise Duty) from 1st April 2026

VED Band	CO ₂ (g/km)	Petrol/diesel/alternative fuel cars* (tax class 48, 49 and 59) 12 months	Diesel cars** (tax class 49) 12 months
A	0	£10	£10
B	1-50	£115	£135
C	51-75	£135	£280
D	76-90	£280	£365

F	101-110	£405	£455
G	111-130	£455	£560
H	131-150	£560	£1,410
I	151-170	£1,410	£2,270
J	171-190	£2,270	£3,420
K	191-225	£3,420	£4,850
L	226-255	£4,850	£5,690
M	over 255	£5,690	£5,690

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: New ICE Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £440 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Karoq SE Edition 1.0 TSI 116PS		
P11D value		£30,345.00
Company car BiK tax based on CO ₂ emission level		33%
Taxable BiK (for 2026/27 tax year):	33% of £30,345.00	£10,013.85
Annual company car tax (2026/27)		
20% income tax	20% of £10,013.85	£2,002.77
40% income tax	40% of £10,013.85	£4,005.54
Monthly company car tax (2026/27)		
20% income tax	£2,002.77 divided by 12 months	£166.90
40% income tax	£4,005.54 divided by 12 months	£333.80

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2026/27.

A landmark on any road

With its robust body with protective features and higher ground clearance, the Karoq Edition invites you to venture off the beaten track. At the same time, its spacious design, sleek lines, and stylish wheels accentuate the car's ambition to be a great urban SUV.

Dynamic front design

The front view of the Karoq is characterised by the sharply cut headlights and integrated fog lamps.

Panoramic sunroof

This electrically adjustable panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

Full LED tail lights

The tail lights have been innovated both in terms of shape and technology. Fitted with animated turn indicators, they significantly improve the visibility of your car for other drivers. In addition, when you lock and unlock your car, the welcome effect activates the animation feature.

Models shown are not UK specification. Some of the equipment shown is optional.

Home from home

From ambient lighting to heated seating, the Karoq's premium interior features a host of intelligent elements that make you feel instantly at home.

Models shown are not UK specification. Some of the equipment shown is optional.

Virtual Cockpit
The Virtual Cockpit displays on-board computer specifications in combination with other information, such as navigation. You can choose from five layouts controlled via the View button on the steering wheel.

LED ambient lighting
The ambient lighting offers a choice of ten colour options for the dashboard and front and rear door lighting, meanwhile the front and rear foot area illumination comes in white.

Electrically adjustable front seats
The front seats are electrically adjustable and come with a memory function for the passenger comfort and convenience.

Tri-zone climate control
This intelligent system allows three autonomous thermal comfort zones to be set for the driver, front passenger and rear passengers.

Models shown are not UK specification. Some of the equipment shown is optional.

The great escape

Whether heading out on an urban adventure or embracing the extreme, the Karoq Edition delivers all the performance you need. Simply buckle up your seatbelt, select your driving mode and see where the unknown takes you.

Four-wheel drive

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

Direct shift gearbox (DSG)

The seven-speed DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

Drive mode select

Featuring Normal, Sport and Eco mode, plus Individual mode to truly meet all your needs. All-wheel drive versions also offer an optional Off-road mode, designed specifically for low-traction conditions.

Innovation at every turn

Škoda Connect: take the online world with you

To be online fully and permanently means not only having access to entertainment and information, but also possible assistance while on the move. Škoda Connect, which includes Infotainment Online and Care Connect services*, is your gateway to a world of unlimited communication possibilities.

Škoda Connect

Real-time traffic updates. Remote Access* and vehicle control. Instant assistance service. Just a few ways Škoda Connect turns the Karoq into a fully interconnected car that's ready for everything life and the road has to throw at it. Download the MyŠkoda app to take full advantage, or **click here to learn more about Škoda Connect**.

Images shown may not be UK specification. Some of the equipment shown is optional. * Remote Access is optional on all trims. ** For further information regarding wireless functionality, contact your Škoda partner. For usage terms and compatibility information for SmartLink, visit our website.

SmartLink

With the SmartLink, the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with Apple CarPlay or Android Auto, which are also available wirelessly**.

Navigation system

The Amundsen satellite navigation with 8" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth® and Wi-Fi capability, it offers more connectivity on-the-go.

Emergency call

An SOS call is made automatically in the event of an emergency on the road. The system can also be activated manually by pressing the red button on the roof console. With the eCALL+ feature, information such as the vehicle's location or the number of people in the vehicle is provided to the first responders.

Simply Clever features

Karoq offers the well-known Simply Clever features clearly arranged in a single package. The package includes a net restraint system, cargo elements and a double-sided boot mat.

Models shown are not UK specification. Some of the equipment shown is optional.

Highly accommodating

Maximising space has always been Skoda's way. The cleverly designed storage compartments ensures everything you need is always close to hand.

Spacious storage

Several spacious storage compartments have been included in the interior.

Jumbo box

Featuring reversible cup holders, the Jumbo Box will also store your gadgets, house keys and cards.

Foldable tables

Built into the backrests of both front seats, the foldable tables with drink holders can be used for more than just your refreshments.

Comfort is your co-driver

Indulge yourself even when driving. Modern technologies, remarkable roominess, and a host of practical details will turn your everyday journey into a luxury trip.

Models shown are not UK specification. Some of the equipment shown is optional.

Electrically folding tow bar
Activated by a switch in the boot, the Karoq's foldable tow bar ensures it is safely hidden when not required.

Virtual pedal
On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment or use the key to effortlessly open the boot.

Rear-view camera
Hidden under the boot handle, the rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

Front and rear ISOFIX seats
Enjoy more room to relax and play in the back with the generous knee and headroom that Karoq offers. ISOFIX connections on rear seats, as well as the front passenger seat also ensure younger passengers can travel safely.

 **Build your own**

Always on the lookout

It's always helpful to have an extra set of eyes on the road. It's why you'll find a number of smart assistant systems, ready to protect you and your passengers from any unseen dangers.

Parking package

Parking sensors

Make parking a breeze with the Parking Package. Helping you to park in the most challenging of spaces, the front and rear sensors guide you both in and out of any parking position, while the rear view camera takes the stress out of reversing.

Rear view camera

Images shown may not be UK specification. Some of the equipment shown is optional.

Travel assist package

Front assist

Adaptive cruise control

Lane assist

Traffic jam assist

Our Travel Assist Package features an onboard camera that recognises and displays key traffic signs on the trip computer and navigation system, helping you to be safer behind the wheel. The adaptive cruise control keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals. The package also features front assist which warns the driver if there is a danger of colliding with another vehicle or other obstacle in front of the car.

Vehicle selector

Karoq uses a new way of configuration to build the car of your choice. The four categories below are an ideal starting point, simply click on the heading for more details.

1 Trims

First choose your trim.
SE Edition, Design Edition, SE L Edition or SportLine Edition?

SE Edition
Entry level trim raising the bar on comfort and safety.

Design Edition
A design-focused trim with bold black styling details and standout features to elevate everyday driving.

SE L Edition
The SE L offers unparalleled levels of value for money. The generous standard equipment provides all of the essentials required for any journey, all bundled up at a great price.

SportLine Edition
Made for design, sportiness and enhanced technology. The range-topping model of the updated Karoq can immediately be recognised by the SportLine-typical black design features.

2 Engines

Next pick your engine.

SE Edition
1.0 TSI 116 PS
1.5 TSI 150 PS
1.5 TSI 150 PS DSG

Design Edition

Make your Karoq, your karoq

To give your Karoq a truly personal touch, pick from the following option packages and individual technology items.

 Build your own

Say hello to comfort

The car will make sure that you stay well-rested during the whole journey.

Convenience Package

Stepping in is a step up. You will be sitting comfortably every time you head off with the addition of the electrically controlled driver's seat with memory function.

Winter Package* and Winter Package Plus

Keep warm and cosy regardless of the weather with heated front seats, heated windscreen washer nozzles and headlight washers. Upgrade to the Plus version to add heated outer rear seats and a heated windscreen.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.
* Only available with 2-spoke leather steering wheel for SE Drive.

Performance Package

Enjoy the high performance of your car in maximum comfort and safety. The Dynamic Chassis Control (DCC) continuously evaluates and responds to various driving situations (braking, acceleration, turning) and adapts the steering characteristics. The 4x4 variants will also benefit from Hill Ascent/Descent Control, Driving-Off Assist and Snow Mode. As part of the infotainment menu, it allows you to select one of three modes according to your specific requirements: Comfort, Normal or Sport. This package also includes aluminium pedals that transform the feel of the car.

Eye-catching

If you are looking to express yourself, these packages are the perfect choice.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.

Design package

Accentuate the details with window surrounding aluminium bars and chrome roof rails that perfectly follow the contours of the vehicle. The aluminium door sill covers with Karoq inscription, which welcome you when entering the vehicle, are an original feature with aesthetic as well as practical functions.

Light package

LED Matrix headlights

The star feature of this generous package – the full LED Matrix headlights – allow you to use the high beams continuously, without blinding other drivers. These headlights are not only a striking design element, but also, and most importantly, they are a safety feature.

Running boards

Elevate your entry with sleek running boards, seamlessly blending style and functionality.

Ambient lighting

What's more, the package also includes interior ambient lighting that lets you set the scene with 10 different colour options, front and rear footwell lights and front reading lights.

Safe happens

Embark on any adventure with complete confidence – with these smart assistance systems you'll be safer at every turn.

Models shown are not UK specification. Some of the equipment shown is optional, please check options price lists for trim availability.

Parking package

This package includes front and rear parking sensors to alert you of any obstacles at speeds of up to 8 km/h, meanwhile the rear view camera makes light work of reversing or manoeuvring tight spaces.

Travel Assist package

To make travelling safer with the Travel Assist Package. The adaptive cruise control uses a radar device in the front grille, which operates at up to speeds of 210 km/h, to maintain a safe distance from vehicles in front of you. The traffic jam assist controls the engine, brakes, and steering, to make the vehicle pull away, brake, and turn to copy the movement of the surrounding vehicles (at speeds of up to 60 km/h). The lane assist system is capable of keeping the car in the middle of the lane and alert the driver in case of deviation. A handy USB-C port for the rear view mirror is also included.

Optional equipment

Wheels and towing

17" Scutus anthracite grey alloy wheels with matt black Aero covers. 255/55 R17 94V super-low rolling resistance tyres with 2nd generation polymer coating.
18" Miran black alloy wheels. 215/50 R18 tyres.
Removable tow bar with adaptor.
Steel space-saving spare wheel – 125/70 R18. Not available in combination with Temporary steel space saver spare wheel – 215/60 R16 (PJA).
Temporary steel space saver spare wheel – 215/60 R16. Not available on 4x4 engines. Not available in combination with Steel space-saving spare wheel – 125/70 R18 (PJD).

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new Škoda on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you’d expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There’s a lot to like about being a Škoda driver.

Get a quote or find out more at insurewithskoda.vwfs.co.uk/car-insurance

Alternatively, call us on **0330 678 6328**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday and Bank Holidays.

Skoda Car insurance is arranged, underwritten and administered by Liverpool Victoria Insurance Company Limited.

Volkswagen Financial Services Limited (VWFS UK) acts as an introducer to Liverpool Victoria Insurance Company Limited in respect of Skoda Car Insurance, registered in England and Wales Company Number 2835230 (Registered Office Address: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). VWFS UK is authorised and regulated by the Financial Conduct Authority, registration number 311988. Authorisation details for both organisations can be checked on the Financial Services Register by visiting <https://www.fca.org.uk/firms/financial-services-register>.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won’t be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a ŠKODA Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Kamiq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
