ŠKODA

Fabia Hatch

Effective: 4th March 2026

Bolder, smarter... Škoda Fabia

Bold design and smart connectivity have always been the trademark of the Škoda Fabia. This model intelligently builds on that legacy without ever looking back. From its sharper exterior and more spacious interior to its new turbocharged engine, everything now feels bolder... and smarter.

It's also a car that feels expressively stylish yet impressively versatile, where zipping around the city or heading out for a longer adventure feels equally effortless. From highly efficient LED headlights to a host of elite safety systems, the Fabia is packed with features that mean being comfortable while being yourself has never been easier.

Introducing the Škoda Fabia.

Models shown are not UK specification. Some of the equipment shown is optional.

Pricing valid as of 4th March 2026.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2025. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2025.

The BIK charges quoted reflect charges which apply to vehicles registered after 6th April 2025. These charges may differ from any charges displayed or quoted before 6th April 2025.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator **here**. Monte Carlo is a registered trademark by Monaco Brands.

VED (Vehicle Excise Duty) from 1st April 2025

VED Band	CO_2 (g/km)	Petrol/diesel/alternative fuel cars* (tax class 48, 49 and 59) 12 months	Diesel cars** (tax class 49) 12 months
A	0	£10	£10
B	1-50	£110	£130
C	51-75	£130	£270
D	76-90	£270	£350
E	91-100	£350	£390
F	101-110	£390	£440
G	111-130	£440	£540
H	131-150	£540	£1,360
I	151-170	£1,360	£2,190
J	171-190	£2,190	£3,300
K	191-225	£3,300	£4,680
L	226-255	£4,680	£5,490
M	over 255	£5,490	£5,490

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO_2) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO_2 figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £410 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Fabia Hatch SE Edition 1.0 MPI 80 PS 5G Manual		
P11D value		**£20,560.00**
Company car BiK tax based on CO_2 emission level		**29%**
Taxable BiK (for 2025/26 tax year):	29% of £20,560.00	**£5,962.40**
Annual company car tax (2025/26)		
20% income tax	20% of £5,962.40	**£1,192.48**
40% income tax	40% of £5,962.40	**£2,384.96**
Monthly company car tax (2025/26)		
20% income tax	£,1192.48 divided by 12 months	**£99.37**
40% income tax	£2,384.96 divided by 12 months	**£198.75**

Company car tax is based on the vehicle's carbon dioxide (CO_2) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO_2 emissions of the vehicle for the current tax year 2025/26.

A devotion to design

Dynamic beauty and aerodynamic styling combine to deliver a charismatic design quite unlike any Fabia before. It also displays its sports styling loud and proud from roof to chassis, making it an exhilarating addition to the Škoda line-up.

Aerodynamic style

Aerodynamics have shaped every design decision from the descending roof to the angle of the windscreen. Features include aero-optimised wing mirrors and an air curtain to streamline airflow around the front bumper. Even the alloy wheels, which include Aero covers, have been designed with air resistance in mind.

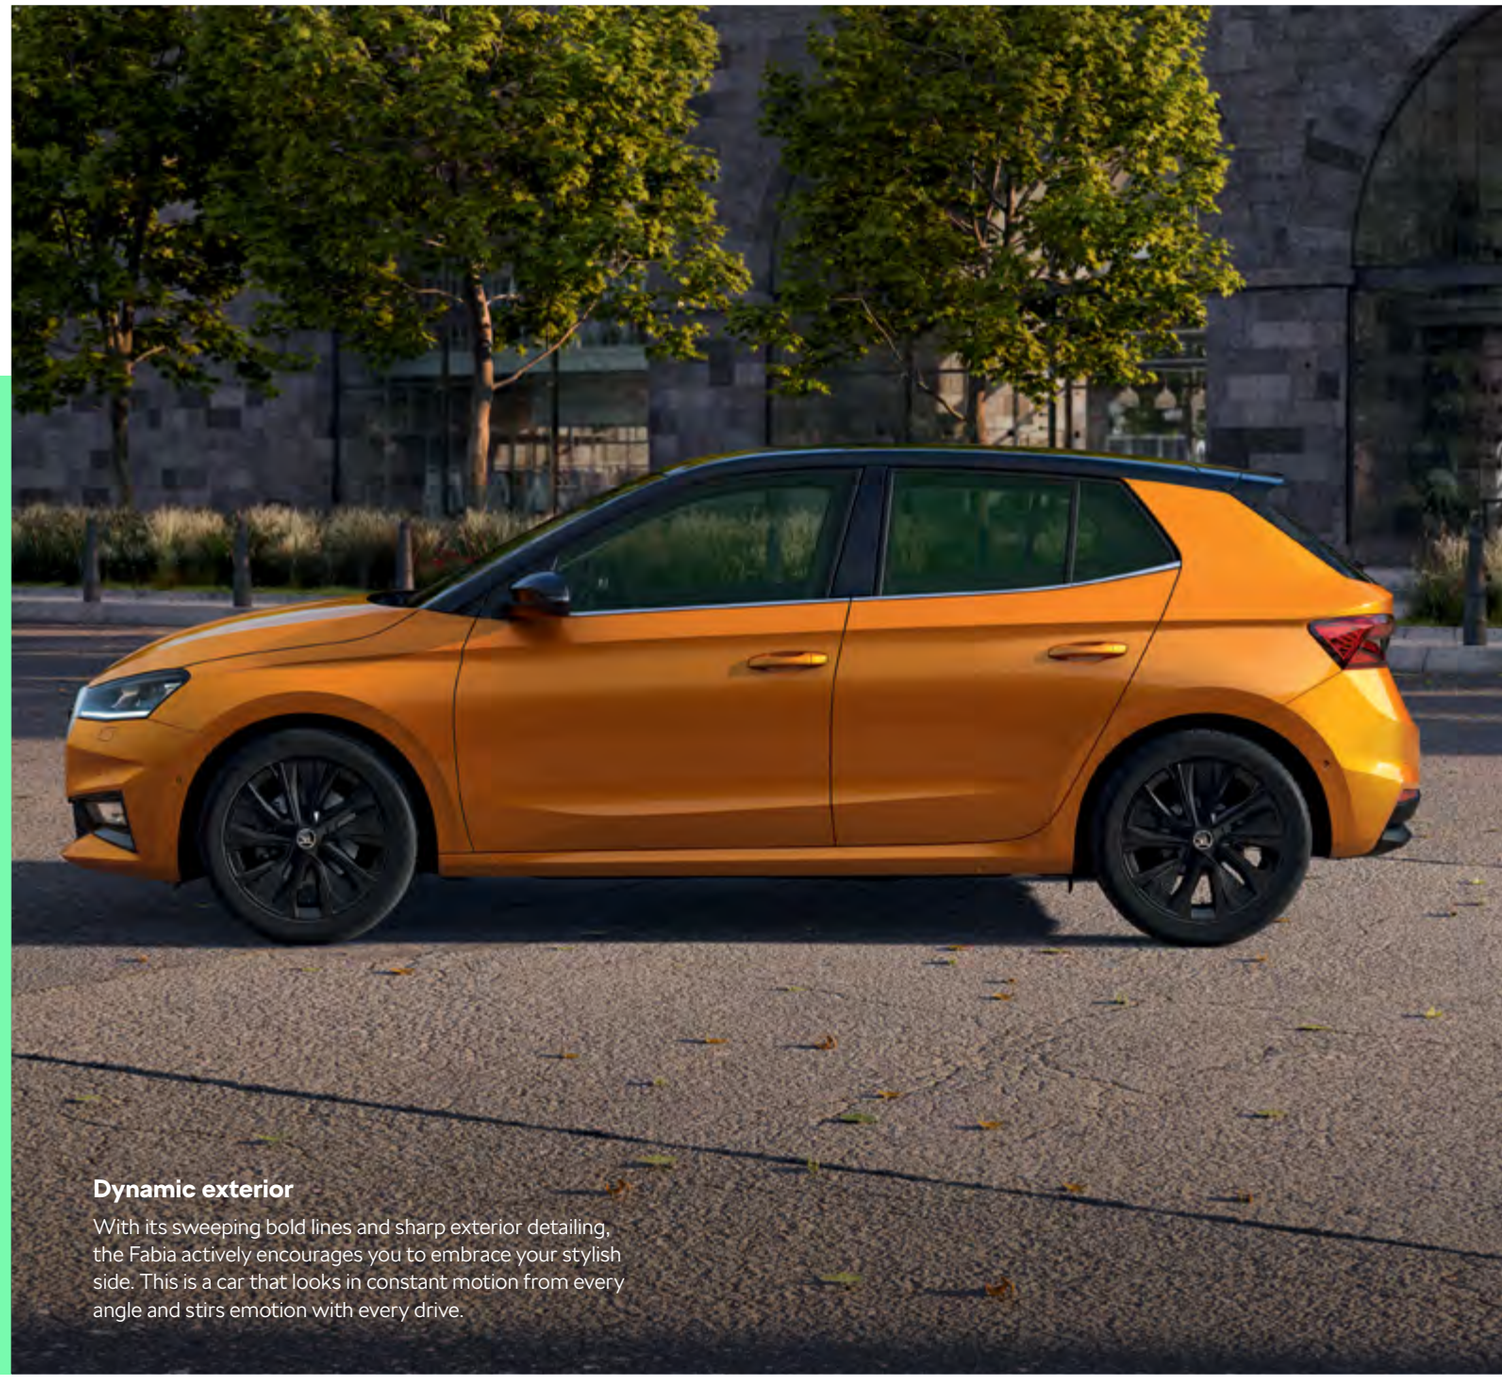

Aero-tuned design

From roof to chassis, everything on the Fabia has been fine-tuned and aero-tuned to the highest levels of precision. The extended roof spoiler and vertical finlets help improve the car's aerodynamics, while the chassis covers reduce turbulence and enhance airflow under the car. The result is greater stability behind the wheel, and greater exhilaration on the road.

Models shown are not UK specification. Some of the equipment shown is optional.

Dynamic exterior

With its sweeping bold lines and sharp exterior detailing, the Fabia actively encourages you to embrace your stylish side. This is a car that looks in constant motion from every angle and stirs emotion with every drive.

Shine bright

The sharp, modern design of the Fabia naturally commands attention on the road, and there's real substance behind the style. It enhances passenger well-being with a bright, airy cabin and LED headlights to boost safety.

Headlights

The Fabia's headlights combine crystalline design with LED technology to provide stylish visibility day and night. Dipped beam and dynamic indicators ensure other drivers are always aware of your actions, but never distracted by them.

LED rear lights

Featuring a distinctive horizontal design, the Fabia's rear lights catch the eye without ever dazzling other drivers.

Fog lamps

Fog lamps are discreetly located in the lower part of the bumper, providing the additional light you need without ever detracting from the car's sharp exterior lines.

Models shown are not UK specification. Some of the equipment shown is optional.

Some comfort zones demand a longer stay

Stepping into the Fabia instantly feels like a complete upgrade. The reason? The spacious interior features high-quality materials throughout alongside cutting-edge tech, keeping you ahead of the curve.

Models shown are not UK specification. Some of the equipment shown is optional.

Decorative elements

The Fabia's dashboard banishes bland with eye-catching chrome details on the air ventilation and instrument panel.

Ambient lighting

Match the interior to your mood with ambient LED lights. Running along the dashboard, centre console, door handles and front and rear reading, switch between white and red at the touch of a button.

Generous space

Enjoy more room to relax and play in the back with the Fabia's generous knee and headroom. ISOFIX connections on rear seats also ensure younger passenger can travel safely while enjoying a full view.

Virtual cockpit

Say hello to a dynamic 10.25" digital display that keeps you up-to-speed with everything from your pace to your location. Choose from five viewing modes, which are controlled via a button on the multifunctional steering wheel.

More power to you

While the Fabia continues to excel in the city, with the move to more powerful engines it now lets you continue on... and on... and on in complete comfort on even the longest journeys.

Engines

The Fabia engine line-up starts with a three-cylinder 1.0 MPI 80PS engine. Looking for more power? Opt for a turbocharged three-cylinder TSI engine in either 95PS or 116PS or the four-cylinder 1.5 TSI 150 PS seven-speed automatic for maximum power. There's no right or wrong choice of course, as all offer the impressive reliability and cost-effectiveness you'd expect from a Fabia.

Models shown are not UK specification. Some of the equipment shown is optional.

Innovation at every turn

Make a lasting connection

Your Škoda vehicle is your everyday companion – and thanks to MyŠkoda Essentials application you can go even further in interaction with your vehicle.

Depending on your equipment and activated packages, you can, for example, display your vehicle's parking location or make it blink its lights and honk; remotely lock, unlock your car or display notifications about low oil and wiper fluid level or active your air conditioning. This service is complimentary with your new Fabia for the first 3 years.

Stay connected

Stay connected wherever you are. Being permanently online means always having access to entertainment, information, and possible assistance while on the move. Škoda Connect is your gateway to a world of unlimited communication options.

Navigation system

Make light work of roadworks and traffic jams by taking advantage of the Fabia's intelligent navigation system. As well as keeping you up-to-speed with up-to-date traffic alerts, it also provides useful updates about weather conditions and visibility.

Wireless SmartLink

Enjoy the benefit of using your smartphone on the go, without ever compromising your safety with Smartlink. This clever feature enables you to wirelessly connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

Emergency call

In the event of an emergency on the road, the Fabia will automatically send an SOS signal for help to give you that extra peace of mind. It can also be activated manually by pressing a red button in the roof headlining.

Images shown may not be UK specification. Some of the equipment shown is optional.

A greater capacity for creativity

The Fabia isn't simply packed with intelligent driver assistance systems and comfort enhancing features, it remains as creatively practical as ever too. After all, anything less just wouldn't feel very Škoda.

Take it, don't leave it

The Fabia's boot is packed with design touches that bring added functionality to the generous space available. Speaking of space, folding down the rear seats triples capacity to reveal one of the biggest luggage compartments in this sector, ensuring nothing ever needs to be left behind.

Umbrella compartment

Welcome rainy days with this handy driver's door compartment. Designed to fit the original Škoda umbrella, it cleverly drains water away from the car keeping the interior dry.

Roof panel USB

Located in the roof panel at the rear-view mirror, this optional USB-C port is ideal for charging devices mounted on the windscreen.

Cargo elements and boot nets

The easy way to secure larger items, cargo elements are fixed to the floor using velcro and can be folded into any angle. The set of three nets prevents your items from moving around while keeping them visible.

Centre console

Spacious centre console with comfortable armrest and a wealth of storage compartments that let you keep essential items out of sight, including a double cup holder.

Models shown are not UK specification. Some of the equipment shown is optional.

Lightbulb moments

You'll notice many subtle enhancements to the effective technology we already offer. We've packed the Fabia with journey-enhancing flashes of brilliance that all add up to heighten the enjoyment for driver and passengers alike.

Rear vents and USB

Keep your passengers in the back completely comfortable and fully charged with adjustable air vents and two USB-C ports on the rear side of the front armrest.

Heated front seats

When it's cold out, your friends and family will appreciate the warmth inside from the heated front seats.

Heated windscreen

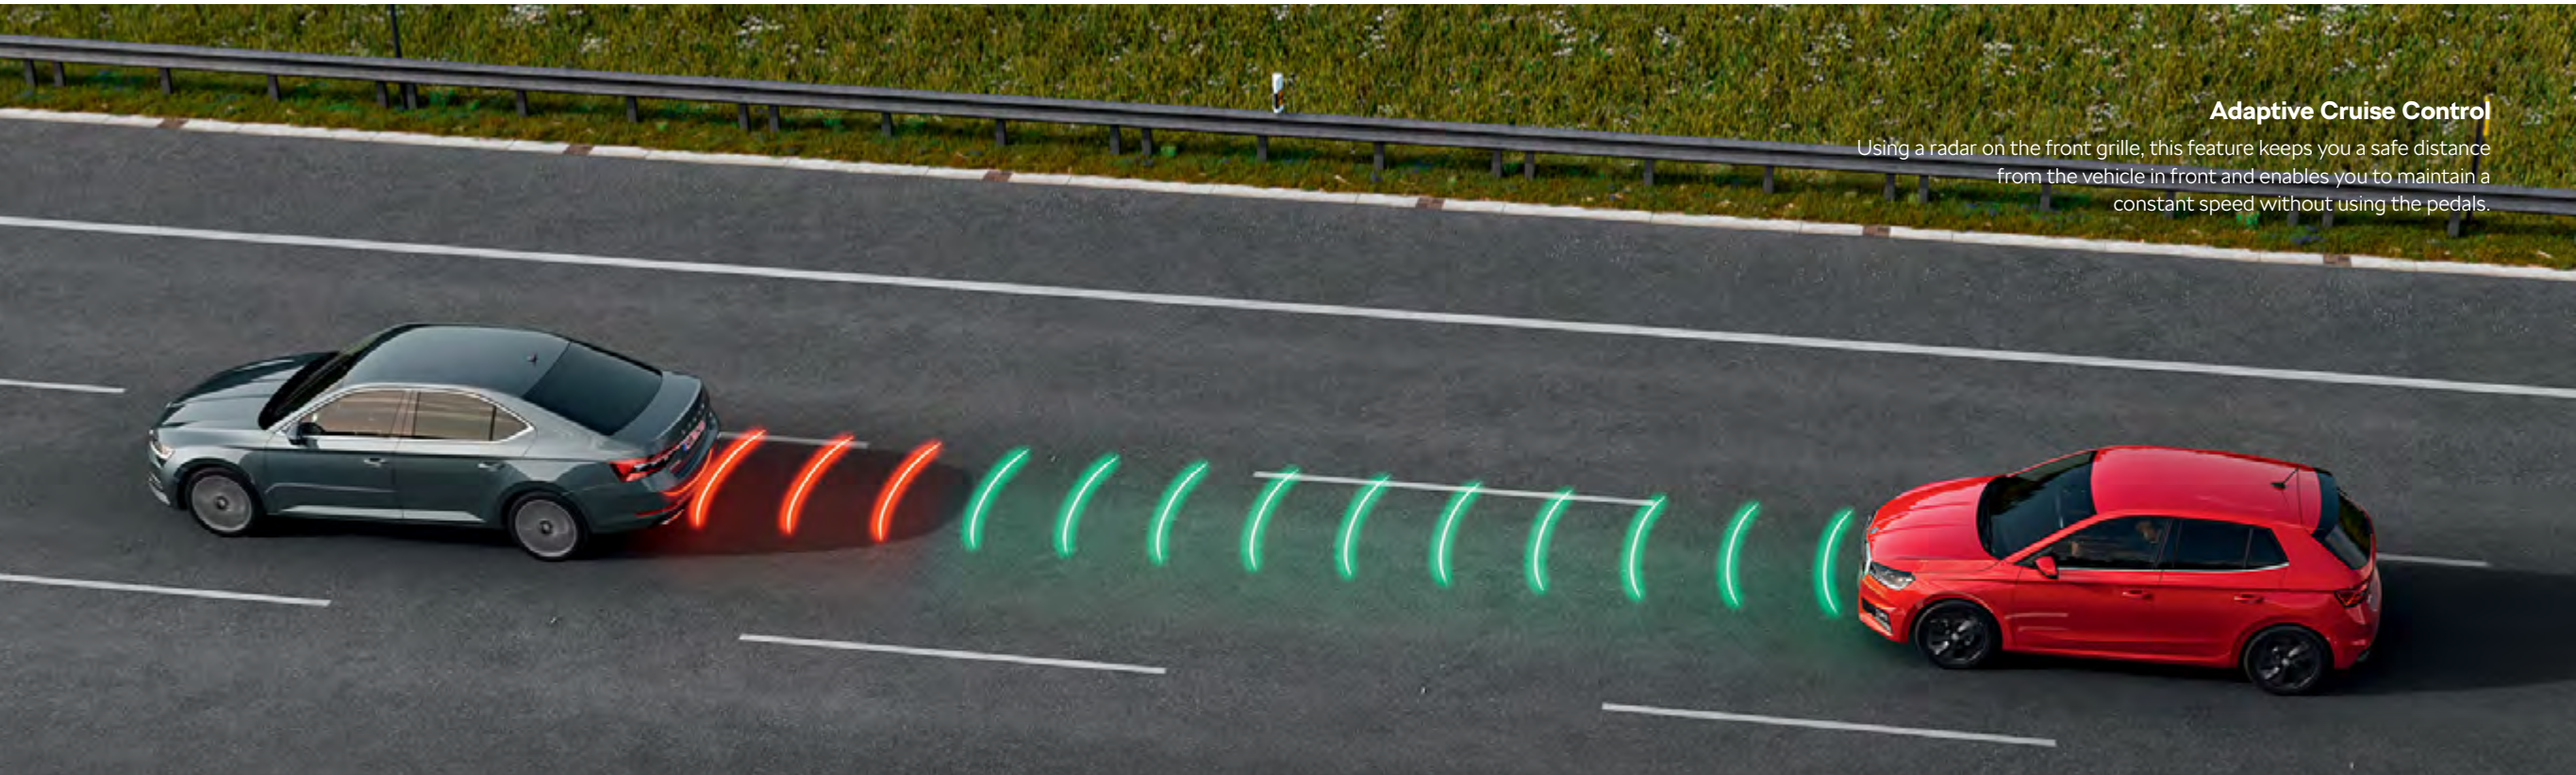

With this handy function you'll never have to scrape the windscreen again. Controlled via the infotainment, it quickly clears frost or condensation.

Keyless entry

The key to starting every journey in double-quick time? That'll be the optional Keyless Entry, Start and exit System (KESSY), which allows the car to be locked, unlocked and started with a simple touch of a button. Front and boot doors can also be used to unlock or lock the car.

Models shown are not UK specification. Some of the equipment shown is optional.

Adaptive Cruise Control
Using a radar on the front grille, this feature keeps you a safe distance from the vehicle in front and enables you to maintain a constant speed without using the pedals.

Models shown are not UK specification. Some of the equipment shown is optional.

Keep a safer safe distance

The Fabia puts comfort and safety firmly in the driving seat. Plus the passenger and rear seats too, thanks to a host of active and passive driver assistance systems.

Travel Assist

Fabia integrates Adaptive Lane Assist with Adaptive Cruise Control (ACC) and enhances driving comfort by actively keeping the vehicle in lane and maintaining speed and distance from the vehicle ahead.

Rear view camera

The rear view camera makes reversing and parking significantly easier. It shows the image of the situation behind the car on the infotainment system screen and displays guide lines to help you navigate through a difficult parking situation.

Traffic sign recognition

Stay up-to-speed on changing speed limits with this optional intelligent system, which uses the camera in the rear-view mirror to scan traffic signs on the road before providing a handy notification. The system can also read electronic information boards, ensuring no message goes unseen.

Blind spot detection

An additional safety feature to support the driver in changing lanes safely by registering any vehicles in the blind spot.

Vehicle selector

Fabia uses a new way of configuration to build the car of your choice. The four categories below are an ideal starting point, simply click on the heading for more details.

1 Trims

First choose your trim.
SE Edition, Design Edition, SE L Edition, Monte Carlo Edition or 130

SE Edition
Loaded with added equipment for even more comfort.

Design Edition
Made for design, sportiness and enhanced technology. Choose from the standard black or optional grey styling.

SE L Edition
Premium trim offering even more comfort and technology.

Monte Carlo Edition
Designed with dynamic proportions and an emotive design with black detailing the Monte Carlo trim embodies a sporty lifestyle.

130
Fabia 130 features an updated 1.5 TSI engine and bespoke chassis dynamics designed to deliver the most engaging Fabia driving experience yet.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. ŠKODA Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at **insurewithskoda.co.uk/car-insurance**

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

Service intervals

When you order your Fabia, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- Driven fewer than 10,000 miles per annum.
- Mainly short journeys, driven mostly in towns or cities.
- High vehicle loading/towing and frequent hill climbs.
- Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Additional information – continued

Roadside assistance

A one year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Škoda Roadside Assistance 24-hour helpline: 0330 100 3243.

Provided in partnership with the AA. Exclusions and terms and conditions apply.
For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, open Monday to Sunday from 8am-10pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda. Your Fabia will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Enhanced Rate of the Mobility Component of Personal Independence Payment (PIP), Higher Rate Mobility Component of Disability Living Allowance (HRMC DLA), War Pensioners' Mobility Supplement (WPMS), Armed Forces Independence Payment (AFIP), Higher Rate Mobility Component of the Child Disability Payment (CDP), or Enhanced Rate Mobility Component of the Adult Disability Payment (ADP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Fabia also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new
First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty
Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- Damage caused by an accident.
- Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **skoda.co.uk/owners/accessories-and-merchandise**

Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO_2 and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 4th March 2026. Choice of wheels and other options may affect fuel consumption and emissions data.
For more information, please see **skoda.co.uk/owners/wltp-info** or consult your Retailer.

Škoda UK may change RRPs at any time (this includes where there are government changes in regulation and/or legislation).
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen Škoda Retailer.
