Issue 1

Motability  
Scheme

## Motability from Škoda

Here at Škoda, we want to help make the option of driving available to everyone. That's why we support the Motability Scheme making our vehicles available to all Scheme members. The Motability Scheme enables disabled people to use their government-funded mobility allowance to lease a brand new Škoda. In fact, since the Scheme was set up in 1978, industry-wide Motability has helped over 3 million people get mobile with a new vehicle.

### Benefits of Motability:

- › Lease a brand new car every three years
- › Insurance, servicing and maintenance
- › Full breakdown assistance
- › Replacement tyres
- › Windscreen repair or replacement
- › 60,000 mileage allowance over three years for cars
- › Two named drivers for your car

### To qualify, you must receive either:

- › Higher Rate mobility part of Personal Independence Payment (PIP) or
- › Higher Rate mobility part of Disability Living Allowance (DLA) or
- › Enhanced rate mobility part of Adult Disability Payment (ADP) or
- › Higher rate mobility component of Child Disability Payment (CDP) or
- › Higher rate mobility component of Scottish Adult Disability Living Allowance (SDLA) or
- › War Pensioner's Mobility Supplement (WPMS) or
- › Armed Forces Independence Payment (AFIP)

You can find out more about eligible Škoda models in this brochure, please contact your local retailer for further information.
